

Preparatory Course for Cambridge International General Certificate of Secondary Education (IGCSE)

Offered by Cambridge Assessment International Education (CIE), the Preparatory Course for Cambridge IGCSE is recognised by leading universities and employers worldwide and is an international passport to progression and success. Developed over 25 years ago, it is tried, tested and trusted by schools worldwide.

Course Objective

Offering a variety of routes for learners with a wide range of abilities, the course also supports learners whose first language is not English to become proficient in the English language. The course equips learners with skills in creative thinking, inquiry and problem-solving, and provides them a good foundation to progress to any of the pathways at the Pre-University level.
