

Preparatory Course for Pearson Edexcel International Advanced Level (IAL)

The Preparatory Course for Pearson Edexcel International Advanced Level (IAL) is designed to equip students with a comprehensive set of skills and knowledge that prepares students for a university education. It is recognised internationally for how its rigour and scope broadens the mind and builds critical thinking abilities. Assessment in the IAL is modular in nature. Examinations are conducted in June and October.

Course Objective

The IAL course provides the depth of learning in a range of subjects to prepare students for further study at the undergraduate level in a university. Being an internationally-recognised qualification, it will enable students to apply to universities worldwide.
